Subject:	Update on staffing open positions
Date:	Tuesday, May 17, 2011 2:29:24 PM

Dear All,

Following is the summary of open positions across MFGD and MFGX-us.

- 162 open requirements for offshore and onsite together
- 50 requirements are staffed centrally
- 108 net open positions to be filled (48 onsite and 64 offshore)
- There are 154 people with Visa's at offshore in these accounts. We have asked DMs to reassign people with visas offshore for onsite opportunities and involve CSG where necessary (if customer involvement is required)
- Right now the focus should be to staff positions with probability >70% and start date in next 1-4 weeks

MFGD Open Requirements:

Account	Total Staffing requests	Closed by central staffing	Net open	Offshore	Onsite	Available profiles with visa at offshore	Comments
APPLE	60	12	48	8	40	65	There are at least 20 People who are blocked for opportunities for June 30th and beyond. Suggesting Account team look at these and staff some of the onsite requirements with people at offshore in Apple account with visa.
Avery Dennison	3	2	1	1			Oracle DBA and not available in MFG
Cisco Systems	8	7	1		1	45	Most of the Offshore and Onsite requirements are staffed by central staffing and some of them by account team with people in the account
Eastman Kodak Company	2		2	1	1		Open systems & not able to staff
Emerson	15	4	11	11			Pune we are not able to get senior Java profiles and cant give profiles in other locations since people have to work from client location.
INGRAM	4	2	2	2			
Intel Corporation	12	2	10	10			The candidates are getting rejected in interview. We had shared 4 profiles and all 4 got rejected.
Microsoft Corporation	52	19	33	29	4	44	MS Account to staff the remaining 4 onsite requirements with people at offshore in MS account with visa
Texas Instruments Inc.	2		2		2		
The Boeing Company	3	2	1	1			
Verizon	1		1	1			
Grand Total	162	50	108	64	48	154	

MFGX Open Requirements:

Account	Grand Total	Closed by central staffing	Offshore	Onsite	Comments
MBUSA	3	3	2	1	Can give Java profiles in Bangalore, Onsite already profile shared from MFGDPUN1
Ericsson	6		6		Blore Oracle Pl\SQL[June 15th]
Syngenta	4		3	1	Starting the project in Mangalore
Toyota	7		4	3	immediate offshore , onsite july , but need to visa processing now
ALSTOM	5		2	3	Proposal stage not confirmed
Daimler	4		4	1	Proposal stage not confirmed
MAN	7		7		Proposal stage not confirmed
Volkswagen	13		10	3	Proposal stage not confirmed
Grand Total	49	3	38	11	

Following table give the list of talents available at offshore outside the demand list above. Pls check if you can staff any of these people in your accounts

Talent availability by skill and location:

Location	Databases	DotNet	Java	Mainframe	Microsoft	OpenSystems	Grand Total
